Dear Graduating Senior and Parents:

Congratulations on your upcoming high school graduation! This is an important and exciting rite of passage in a young person's life. Perhaps you have plans post high school to attend an institution of higher learning or professional training. We all appreciate how expensive education can be at the next level.

We will be awarding scholarships to graduating seniors from All Saints Catholic Church. Enclosed is an application form for the All Saints scholarship.

Our scholarships are focused on youth that have developed in their faith and plan on taking their foundation of faith with them in the next step of their journey. Applicants who follow directions and fill out the scholarship as completely as possible will likely score highest. Please note that resumes will not be a replacement for this application.

The application is **due by April 25, 2025**, to the included address. That means they need to be delivered by mail or in person by April 25, 2025, for consideration. We will contact you with information about when the scholarships will be awarded. We are excited to receive your application.

Good Luck and God Bless,

All Saints Scholarship Committee
